MASSAGE

Hot Stone Massage

Thanks to the heat in the stones, the blood vessels are expanded creating a sedative effect, relieving you from stress and anxiety to provide complete relaxation for the body and the mind. Hot Stone Massage improves blood flow, helps with pain management in conditions such as arthritis and sciatica, and increases your blood circulation and metabolism.

Fruit Acid Peel Facial \$140 (45 mins)

Fruit acid peels dissolve dead cells from the top layer of the skin by lowering the pH level. This peeling effect helps to reduce wrinkles, lighten age spots and stimulate skin renewal. In the short term, skin can look fresher and more radiant after one application.

COLLAGEN/SKIN NEEDLING

Collagen Induction

Collagen induction therapy is scientifically proven as one of the best advanced skin treatments available.

Skin Needling

Skin Needling is the latest skin renewal technique to restore the appearance of your skin. A safe, simple and virtually pain-free treatment for:

- Wrinkles, lines and Sun damage
- Lack of skin firmness & elasticity Under-eye bags
- Scarring Stretch marks
- Acne & chicken pox scars, Cellulite
- Enlarged pores

This acute penetration allows a much higher absorption of topical formulations. It also stimulates the skin's **self-repair and** regeneration as it stimulates the skin's **healing** response. **from \$199 Packages available**
